

MILO RANGE THEATER

FULLY IMMERSIVE USE OF FORCE TRAINING

The MILO Range Theater system provides you with a fully immersive training environment.

With the enhanced field of view that Theater offers, you can increase trainee realism and offer true to life training scenarios. The MILO Range Theater is interactive from all directions, allowing trainee responses to multiple threats and applications of proper tactics simultaneously.

The system is operated by a single instructor using either a touchscreen monitor or wireless tablet; significantly reducing the instructor resources needed.

The MILO Range Theater offers many out-of-the-box advantages:

- Ultra-wide field of view
- 180 and 300 degree configurations
- Team training
- CQB & CQM Training
- HD video on each screen
- CGI Marksmanship & Reactive Targeting
- Laser and/or Live Fire
- Lethal & Less Lethal weapon options
- Lowlight / Flashlight
- Trainee Action Capture with multiple cameras/views
- Single instructor for operation and training
- Touchscreen & Wireless Tablet control
- Multiple trainees with multiple weapons
- Converts to multi-lane Firing Range
- Supports America's Army, Unity and VBS2 Training Platforms

The MILO Range Theater system is available in multiple configurations to accommodate your needs, budget, and available space.

Theater 180

The Theater 180 system offers a 3-screen configuration that provides enhanced field of view for even more realism and effectiveness.

Theater 180 includes:
