

MILO RANGE CLASSIC

MILO Range Classic

The MILO Range Classic system offers the most advanced feature set available for a portable use of force and tactical judgement training system. Based on the same software and technology as the full-featured MILO Range PRO system, the Classic provides fully interactive video scenarios, graphics-based firearms drills and industry leading features in a compact, all-inclusive design that is easy to transport and set up in less than 20 minutes, in any size training room.

The system and components you need.

The system includes laptop, hit detect camera, firearm laser, laser OC canister, all the cables and the MILO Range Classic software pre-installed and ready-to-go. Optional accessories such as long guns and less than lethal devices are available.

Portable and lightweight for heavy training.

The MILO Range Classic includes hundreds of ready-to-train scenarios, a library of firearms drills and exercises as well as many unique features and a host of supported weapon options.

- Handguns, Long guns & Shotguns
- Taser, OC & Less Lethal Projectile Weapons
- Dryfire, Recoil & Live Fire Training
- High Definition video scenarios
- Graphic Ranges & Custom Course of Fire

With leading features, a full warranty, 24/7 technical support and an on-site Train the Trainer course, the MILO Range Classic will meet any agency's training, budget and flexibility needs.
